## CIRCULAR NO: 23/2024

### NEW CURRICULUM AND TEXTBOOK UPDATE FOR GRADE VI

Dear Parents,

NCERT has released a new curriculum aligned with the 2023 Framework. We've ordered all new textbooks and distributed available ones for Hindi, English, and Sanskrit.

For books still in printing under NCERT, we've provided photocopies to students. Official printed textbooks will be distributed upon receipt from NCERT.

Thank you for your understanding.
