MENTAL ABILITY PROGRAM FOR CLASS VI TO CLASS IX

Dear Parents,
Greetings!

We are pleased to inform you that Birla Public school, Kishangarh is introducing the **MAP Program** (Mental Ability program) as part of the **Foundation Program** for students from **Class VI to Class IX**, in this term.

The MAP Program is designed to **enrich students' academic experience** by fostering **critical thinking, problem-solving abilities, and overall cognitive development**. It aligns with our commitment to providing holistic education and preparing students for future academic and real-world challenges.

Objectives of the MAP Program:

- Enhance students' **analytical and reasoning skills**
- Strengthen **core concepts** across subjects
- Foster **independent learning and curiosity**
- Develop **21st-century skills** such as creativity, collaboration, and communication
- Identify and nurture **individual potential**

Program Highlights:

- Specially curated modules and sessions integrated within the existing timetable
- Activity-based learning, case studies, and real-life problem-solving
- Regular assessments to track growth and provide feedback
- Guidance and mentorship from trained facilitators

Benefits to Students:

- Improved academic performance and self-confidence
- Better preparedness for competitive exams.
- A strong foundation for lifelong learning and innovation

We believe that the MAP Program will **significantly elevate our academic standards** while empowering students to become **innovative thinkers, self-driven learners, and responsible global citizens**.

The cost of programme - Rs 1000/- + 18% Taxes per year.

We look forward to your continued support in making this initiative successful.

Warm regards,

Principal
Birla Public School, Kishangarh
