INTRODUCTION OF SMAQQ - A GAME-BASED REVISION APP

Dear Parents,

We are pleased to introduce **SMAQQ**, an innovative game-based revision app designed to make learning engaging and effective. Following a successful trial, the app is now being made available to all students for regular academic use.

SMAQQ provides a scientific and interactive approach to revision in the following subjects:

- Mathematics
- Science
- Social Science

Key Features:

1. Interactive quizzes
2. Gamified learning experience
3. Comprehensive progress tracking
4. Personalized learning paths

We encourage you to support your child's participation in this initiative, as it aims to enhance learning through engaging and interactive revision techniques.

Please note that the subscription fee of ₹500/- will be automatically deducted from the Student Personal Account (SPA).

Thank you for your continued support and cooperation.
